The foregoing eight (8) references were cited during the examination of foreign counterparts of the present US patent application. Originally, EP 0,061,947 was cited in the foreign counterpart of the present application. Since it is in French, the Great Britain equivalent (GB 2,094,896) is substituted therefor in the PTO-1449, but a copy of EP 0,061,947 is also included herewith.

As noted above, to the under sign's knowledge, no office action has been received (issued) in the present application. Therefore, this submission is timely and no fee for its submission is required.

Applicant requests: (1) that the Examiner fully consider these documents during the course of examination of this application; and (2) that a list containing these documents be printed on any patent issuing from this application.
